SUMMARY

Rebecca is experiencing academic stress and uncertain career pathways due to the complexity and interdisciplinary nature of German studies.

KEY CONCERNS

- Struggling with advanced German coursework and uncertainty about career opportunities
- Increasingly frequent request for academic support
- Uncertainty about major or career pathway in German studies or English and related fields
- Lack of understanding of transferability of German major or minor grades

ACTION PLAN

- Recommend scheduling a consultation with a German major or minor advisor to understand career options and transferability
- Provide a list of recommended German courses and their grading systems (e.g. Letter grades vs. Quizzes/exams)
- Recommend exploring internship or research opportunities in fields related to German studies or language use
- Encourage exploration of minor or major switch if Rebecca is unsure of career pathways in German studies

FOLLOW UP PLAN

- Check in mid-semester to monitor academic performance and career-related concerns
- Offer support for a transfer plan if Rebecca is still considering German studies or related majors
- Encourage attendance at academic advising sessions and student success centers
