## SUMMARY

Jasmine is a first-year student with interdisciplinary coursework, questioning her academic identity in Middle East studies and uncertainty about her major.

## KEY CONCERNS

- Enjoys interdisciplinary coursework but not sure what to major in
- Feels like a Muslim girl from non-Mideast background, but not sure how to fit all this into her identity
- Feels lost and needs support finding a coherent academic path

## ACTION PLAN

- Help Jasmine identify which Middle East Languages and Literature majors are a good fit for her interests and identity
- Introduce Jasmine to other first-year students in the Middle East studies program
- Refer Jasmine to campus resources for interdisciplinary courses and academic identity workshops
- Encourage Jasmine to explore a more traditional humanities major or interdisciplinary track if she's still unsure
