SUMMARY

Steven is uncertain about his career path and is considering graduate school or a different industry after majoring in psychology.

KEY CONCERNS

- Uncertainty about desired career in psychology or related fields after graduation
- Difficulty identifying relevant academic opportunities in his major and industry-relevant courses
- Interest in exploratory grad studies but not sure if it's the right fit
- Lack of clarity about future career path after graduation

ACTION PLAN

- Refer Steven to career center for mental health and psychology-related job listings
- Suggest attending a psychology career fair or meeting with a psychology professor or alumni for advice
- Discuss possible course combinations that could lead to graduate school or industry experience
- Encourage Steven to register for graduate-level psychology courses but also explore non-academic options like finance or healthcare

FOLLOW UP PLAN

- Schedule a follow-up meeting in 2 weeks to check if Steven has made a decision
- Check if sophomore seminar is still relevant after majoring in psychology
- Discuss potential internships or entry-level positions in the future
