## SUMMARY

Miguel is struggling with macroeconomic concepts and how they relate to finance in his economics coursework, leading to uncertainty and frustration.

## KEY CONCERNS

- Lack of understanding of macroeconomic concepts in economics courses
- Difficulty applying macroeconomic principles to finance in finance courses
- Regular errors in project work due to lack of understanding
- Feeling overwhelmed by the magnitude of the challenge

## ACTION PLAN

- Explain the difference between macroeconomics and microeconomics to Miguel
- Introduce finance concepts in economics classes and how they relate to macroeconomics
- Coordinate discussions with Miguel's finance and economics classes to review concepts
- Encourage use of macroeconomic terminology in finance contexts but also explain how it applies

## FOLLOW UP PLAN

- Check in after finals week to check on macroeconomic understanding
- Refer Miguel to economics tutoring if needed
- Offer to connect Miguel with a faculty member who specializes in macroeconomics and finance
