SUMMARY

Joshua is interested in career opportunities in German culture and language, but is still unsure about what courses and industries are currently hiring in Berlin. He is experiencing academic stress and is seeking academic advising and career counseling.

KEY CONCERNS

- Career path options in German culture and language after graduation
- Struggling with advanced German coursework in his major
- Academic stress causing academic performance decline
- Uncertainty about career opportunities in Berlin

PROBLEM TO SOLVE

Request for academic advising and career counseling on potential career paths in German culture and language after graduation in Berlin

SOLUTION PROPOSAL

Please join me for an individual consultation to discuss how to improve my academic performance, including my German coursework and research projects, while considering career opportunities in Berlin. I will recommend attending career fairs focused on cultural and language industries, and providing advice on how to tailor my academic resume and cover letters to match available job openings. I will also provide guidance on graduate school or internship opportunities in my field.

LONG-TERM EFFECTS MESSAGE

Joshua's academic performance has been challenging due to the demands of his German major and related coursework. He is currently applying to graduate programs in cultural studies or language teaching, and is exploring internships and job opportunities in Berlin's cultural industries.
