SUMMARY

Willingly uncertain William is struggling with academic performance, uncertain future plans, and potential career disruption.

- Heavy emphasis on military and political topics in his major
- Attention to non-history content (e.g. Gender, race, migration)

ACTION PLAN

- Help William refine his academic focus to include social and cultural history, environmental history, and other relevant fields

- Check in after a semester or before a major decision
- Refer William to internship matching service or academic coaching services
- Encourage exploration of non-academic career paths, such as social justice organizing or policy advocacy
