SUMMARY

Lawrence is experiencing academic failure, emotional distress, and a high-risk situation due to a poor academic performance last semester.

KEY CONCERNS

- Low overall course enrollment in Romance Languages this semester
- Failure in most of the Romance courses last semester
- Emotional exhaustion, difficulty engaging with the material
- Feeling disconnected from the course material and academic community

ACTION PLAN

- Offer support through the academic advisor to help with enrollment and course selection
- Encourage Lawrence to attend weekly resilience-building sessions in the Romance Labs, especially for the harder Romance courses
- Help develop a personalized academic plan that includes breaks and support for the Romance Languages course
- Encourage journaling or discussion sessions to build resilience and emotional literacy

FOLLOW UP PLAN

- Schedule a check-in session next week to monitor attendance and progress
- Refer Lawrence to mental health or student success services if academic performance declines
- Recommend attendance at a writing workshop or peer-support group for Romance Languages students
