SUMMARY

Calvin is experiencing academic stress and uncertainty about his future in biology and science-related fields.

KEY CONCERNS

- Low academic performance in biology courses last semester
- Feeling disconnected from his major and uncertain about career direction
- Want guidance on how to improve grades and explore alternative career paths
- Need assistance finding a suitable science major or career path that fits his interests and abilities

ACTION PLAN

- Recommend scheduling adjustment to ease academic stress and increase focus in upper-level biology courses
- Discuss potential science-related major options (e.g., environmental, ecology, conservation, etc.) with Calvin
- Provide referral to science student support center for academic advising and career counseling services
- Help Calvin explore alternative science-related career paths (e.g., environmental advocacy, conservation biology, policy, etc.)
