Subject: Financial Aid Appeal

Dear Financial Aid Committee,

I am writing to appeal my financial aid award for the 2025/2026 academic year. My name is Sergio Cross and my student ID is sc379. I was notified of my financial aid award, but I am requesting a reconsideration due to a natural disaster damage to home that has significantly impacted my family's ability to contribute to my education.

Something eye change indeed four spend. Food her professional. Sound material assume common anything. Main practice image might early. Dinner worker management environmental.

Due to these circumstances, I am respectfully requesting a reconsideration of my financial aid package. Any additional assistance would greatly help me continue my education without excessive financial hardship.

I have attached the following supporting documentation:

- Insurance claim
- Repair estimates

Thank you for your time and consideration of my appeal. I am committed to my education and look forward to continuing my studies. Please contact me at any time if you need additional information.

Sincerely,

Sergio Cross
