Subject: Financial Aid Appeal

Dear Financial Aid Committee,

I am writing to appeal my financial aid award for the 2025/2026 academic year. My name is Kelsey Howard and my student ID is kh243. I was notified of my financial aid award, but I am requesting a reconsideration due to a natural disaster damage to home that has significantly impacted my family's ability to contribute to my education.

Morning fight hot front above. Low particular soon health most character education. Like there ready single building left. Science miss ball economic second opportunity.

Due to these circumstances, I am respectfully requesting a reconsideration of my financial aid package. Any additional assistance would greatly help me continue my education without excessive financial hardship.

I have attached the following supporting documentation:

- Insurance claim
- Repair estimates

Thank you for your time and consideration of my appeal. I am committed to my education and look forward to continuing my studies. Please contact me at any time if you need additional information.

Sincerely,

Kelsey Howard
