## SUMMARY

Diana is experiencing academic stress and is unsure of her career path in environmental studies or sustainability.

## KEY CONCERNS

- Struggling with academic performance in environmental studies coursework
- Feeling unprepared for the academic demands of the major
- Uncertainty about career paths in environmentalism or sustainability
- Lack of direction and uncertainty about future goals

## ACTION PLAN

- Help Diana refine her environmental studies coursework to include more social justice and environmental justice components
- Connect Diana to sustainability and environmental justice job fairs and internships
- Recommend enrollment in a new environmental studies major with a more flexible academic track
- Work with Diana to develop a personal statement or career plan that aligns with environmentalism and sustainability work

## FOLLOW UP PLAN

- Schedule a follow-up meeting to review academic progress and career goals
- Offer support for applying for environmentalism or sustainability-related internships and jobs
- Encourage Diana to join student organizations or internships that align with her interests and aspirations
