SUMMARY

James is uncertain about his graduate school aspirations or potential career path after his sociology and anthropology major.

KEY CONCERNS

- Desire to work in social justice or community organizing
- Interest in non-traditional career options (graduate school, social services, etc.)
- Feeling unprepared for graduate school or job interview prep
- Lack of clarity about his academic and personal interests

ACTION PLAN

- Recommend attending career fairs for social services and nonprofit jobs
- Provide information on sociology and anthropology careers (policy, advocacy, data analysis, etc.)
- Discuss potential graduate school programs (health, social work, public policy) with a humanities or social sciences focus
- Encourage exploring non-academic interests (e.g., writing, activism, social media) as a way to fill the gap between degrees

FOLLOW UP PLAN

- Set up a follow-up meeting to review career options and plan for graduate school or nonprofit work
- Offer to connect James with alumni in these fields for networking opportunities
- Encourage James to apply for summer or fall internships before making a decision
