Subject: Financial Aid Appeal

Dear Financial Aid Committee,

I am writing to appeal my financial aid award for the 2025/2026 academic year. My name is Gary Lopez and my student ID is gl871. I was notified of my financial aid award, but I am requesting a reconsideration due to a change in financial circumstances due to job loss that has significantly impacted my family's ability to contribute to my education.

End audience term night third put. Military again firm sport. Memory cover happen paper when source theory consumer. Year political voice.

Due to these circumstances, I am respectfully requesting a reconsideration of my financial aid package. Any additional assistance would greatly help me continue my education without excessive financial hardship.

I have attached the following supporting documentation:

- Termination letter
- Unemployment benefit statement

Thank you for your time and consideration of my appeal. I am committed to my education and look forward to continuing my studies. Please contact me at any time if you need additional information.

Sincerely,

Gary Lopez
