SUMMARY

Sophia is uncertain about career prospects in environmental sciences after graduation and is exploring career options with a focus on environmental work.

KEY CONCERNS

- Uncertainty about graduate school or environmental career after graduation
- Difficulty identifying suitable career paths in earth & environmental sciences
- Interest in non-academic environmental work as a means of transitioning after graduation

ACTION PLAN

- Refer Sophia to career center for resume and interview preparation
- Suggest attending career fairs in environmental fields, including environmental jobs
- Discuss potential internships or entry-level positions in environmental fields
- Encourage exploration of non-academic environmental jobs (e.g., climate policy, conservation, outdoor recreation, etc.)

FOLLOW UP PLAN

- Schedule follow-up meeting to review career options and job search strategies
- Evaluate if Sophia should consider non-academic pathways after graduation
- Help Sophia identify potential networking opportunities in the environmental field
