SUMMARY

Angela is uncertain about her artistic interests and is seeking guidance on academic pathways that align with her artistic passions.

KEY CONCERNS

- Worries that I'm not a good fit for a traditional art major and worries about fitting into a specific art field
- Interest in exploring non-traditional majors (e.g. Art history, visual culture, education, interdisciplinary studies)
- Fear of missing out on a traditional art major if she doesn't apply early enough

ACTION PLAN

- Help Angela brainstorm a mix of art and non-art majors that align with her artistic interests and career goals
- Connect Angela with advising services for interdisciplinary majors (e.g. Art and business, art and social justice, art and engineering)
- Offer a meeting to review Angela's current major and future research interests in the arts and humanities
