SUMMARY

Anthony is struggling with academic performance in economics and finance courses, and is looking to improve his engagement and understanding of key concepts.

KEY CONCERNS

- Low academic performance in economics and finance courses
- Struggling to understand difficult concepts in a non-intuitive way
- Missing key information in previous courses
- Uncertainty about how to improve engagement and skills

ACTION PLAN

- Schedule a one-on-one meeting to review academic progress and assessment grades
- Connect Anthony with a veteran economics student or professor for a peer review session
- Discuss the non-intuitive nature of economics and financial analysis concepts
- Encourage participation in the Economics Society and Economics Club to deepen skills and engagement

FOLLOW UP PLAN

- After the meeting, check academic progress again and provide action plan to stay on track
- Recommend attendance at a financial literacy course or workshop
- Encourage Anthony to join a new academic group focused on social justice and economics
- Review blogs or podcasts related to economics and social justice to spark interest
