## SUMMARY

Kaitlyn is struggling to balance her major change and the heavy load of advanced humanities courses in her major.

## KEY CONCERNS

- Nervous about passing advanced humanities courses even with good grades
- Uncertainty about fit for major change and academic performance
- Feeling more interested in non-academic pursuits, but not well-prepared for advanced humanities

## ACTION PLAN

- Help Kaitlyn identify which humanities courses are most suitable for her current academic trajectory (e.g. Classics, literary studies, cultural studies)
- Offer to review academic performance and help identify which courses are challenging and how to approach them
- Recommend that Kaitlyn focus on skills-based courses (writing, activism, etc.) instead of traditional humanities tracks

## FOLLOW UP PLAN

- Check on progress after finals looming in Classics and other humanities majors
- Encourage Kaitlyn to attend a writing workshop or talk about how to integrate activism and scholarship
- Offer to connect Kaitlyn with a mentor in the English or writing departments
