## SUMMARY

Aaron is struggling with academic performance in philosophy and uncertainty about career path after undergraduate study.

## KEY CONCERNS

- Low grades in difficult and abstract courses
- Feeling lost after taking many difficult philosophical courses
- Not sure if he's applied himself enough
- Uncertainty about career options in philosophy or related fields

## ACTION PLAN

- Recommend scheduling review sessions with a Ph.D. Advisor to address academic weaknesses
- Suggest career seminars and internship opportunities in philosophy and related fields
- Provide guidance on philosophy majors and minors that can be easily transferred to other fields
- Encourage exploration of graduate studies or industry roles in philosophy or related fields

## FOLLOW UP PLAN

- After scheduling review sessions, follow up with assessing academic progress again
- Book a career counseling referral if grades improve enough
- Discuss potential internships or graduate school opportunities in the summer
- Recommend attending a philosophy conference or career fair
