SUMMARY

Student facing academic stress and uncertainty in biology coursework

KEY CONCERNS

- Falling grades in biology courses last semester
- Uncertainty about understanding biology material
- Difficulty in connecting with biology coursework
- Need for academic support, especially in writing and analysis skills

ACTION PLAN

- Recommend scheduling review sessions with Michael's biology professor
- Suggest attending writing workshops for biology essays
- Discuss how to use biology for personal and academic purposes
- Recommend registering for a new biology course but reviewing the material first
