SUMMARY

Charles is experiencing emotional distress and uncertainty about his future in religious studies or faith-related work due to personal and academic concerns.

KEY CONCERNS

- Investment in political and religious extremism
- Disillusionment with the role of religion in society
- Emotional distress from personal and academic exploration
- Uncertainty about career path in religious studies or faith-related fields

ACTION PLAN

- Help Charles identify potential career paths that don't involve faith or religion (e.g., social work, nonprofit management, data analysis)
- Refer Charles to mental health and career counseling services that can address emotional regulation and career exploration for faith-related fields
- Connect Charles with a religious studies alumni who has transitioned into nonprofit work or secular leadership roles

FOLLOW UP PLAN

- Check in after campus events to assess emotional wellness
- Refer Charles to a mental health check-in before finals week
- Encourage alumni referral for potential internship or mentorship opportunities in secular faith-based work or nonprofit leadership
